From May 17 to June 17, 2016 'Le Pavillon des Canaux' in PARIS will be offering to the visitors and consumers an exclusive entertainment and total immersion around the theme of 'Alice Through the Looking Glass', the sequel of the 2010 Film 'Alice in Wonderland'. The Film itself will be released in FRANCE on June 1, 2016. The location will be renamed 'Le Pavillon des Merveilles'. It is a full immersion into the world of Lewis Carroll, several specifically organized events will take the imaginary of adults as much as children away in the 'Alice in Wonderland'.

Exhibitions, screenings, workshops for children and grown-ups, special evenings, amazing decoration and displays of all kinds.... All is made to provoke an exclusive journey back to one's childhood.

This location was chosen because 'Le Pavillon des Canaux' is in the same time : a coffee shop and a friendly place where we can work together and meet new internet users, and the neighborhood. The coffee is coming from Lomi, great parisian coffee roaster, fresh products, seasons menus...
